

**§ 392-9. Removal of vehicles.**

- A. The Superintendent of Highways shall have the power to cause the removal and disposal of any vehicle left unattended for more than 24 hours within the right-of-way of any Town highway of the Town or any other public property of the Town.
- B. The Superintendent of Highways shall have the power to cause the immediate removal, from the right-of-way of any Town highway, any vehicle which obstructs or interferes with the use of such a highway for public travel, or which obstructs or interferes with any operation of the Town of Kingston Highway Department during a public emergency.

**§ 392-10. Disposition of vehicles.**

- A. Where a vehicle has been removed, then the owner of the vehicle shall be charged the cost of removal, disposition and storage thereof.
- B. The schedule of such costs shall be fixed by the order of the Town Board.

**§ 392-11. Report to Commissioner of Motor Vehicles.**

The Town shall cause to be made, as to any vehicle removed pursuant to this article, a report to the commissioner of Motor Vehicles required under the Vehicle and Traffic Law.

**§ 392-12. Disposition of unlicensed vehicles.**

Where the vehicle has been in the possession of the Town for more than 30 days and is unclaimed, then the Town Superintendent or other Town official as designated by the Town Board may sell the same at public sale, upon notice of such sale being posted conspicuously in at least three public places in the Town at least six days before the date of the sale. The official conducting the sale may in his discretion give other publicity to such sale or he may delay the sale in the interest of justice.

**§ 392-13. Parking on highways prohibited at certain times.**

The parking of vehicles is hereby prohibited on all highways of any other public property of the Town between the hours of 9:00 p.m. and 7:00 a.m. beginning the first day of October in each year and continuing through the 15th day of April in the next succeeding year.

**§ 392-14. Removal of vehicles during snow removal operations.**

It shall be the responsibility of each vehicle owner or operator to remove said vehicle from a Town road whenever snow removal operations are in progress.

**§ 392-15. Penalties for offenses. <sup>2</sup>**
