### **Committee Reports**

**Councilman Hoffman** made a motion that, he and Code Enforcement Officer Bob Cologero, will visit 765 Sawkill Road and make an inspection on July 20, 2023 and begin to clean the property if necessary which was seconded by Councilman Queipo. Councilman Hoffman made a motion to withdraw the motion on advice from Attorney Torre which was seconded by Councilman Queipo.

**Councilman Queipo** no report.

**Councilman Wells** stated that the Summer Rec was going well with eleven (11) to fifteen (15) kids each day. He thanked the Highway Department for their help with the Kid's Day Parade float and the Fire Company for the water fun they supplied. He said that Bob, Dave, and himself will meet with the DEC for options to Woods Road. He asked that someone call our sheriff because he has not seen our deputy making the rounds and ask for a heads up in the future if the deputy sheriff will not be able show up. Councilman Queipo offered to make the call.

**Highway Superintendent Ed Moore** reported that the uniform company made corrections and lowered their price. The Town has 3 years left on the contract. The highway did well with the rainstorms but there is still an issue on Hill Road. He said they had shared services with Saugerties on Hill and Jockey Hill Roads. He further said that the Mack truck transmission line broke and the truck is out of warranty.
