

## Are you interested in the future of our Town???

The Town is forming a committee to update the Comprehensive Plan. This plan was last revised in 1996. The Comprehensive Plan is a vision of what the Town will look like going into the future. It includes areas such as:

- Existing and proposed land uses
- Impact on neighborhood character
- Protection of historical resources, cultural resources, natural resources, and sensitive environmental areas
- Housing resources and needs
- Economic development

It should be made up of a variety of town residents, Town Board members, Planning Board members and other interested residents.

If you are interested in joining this committee, please fill out the attached request and leave it at the Town Hall, 906 Sawkill Road.
